

**Overview:** In order to proceed with the work that is required on the Twelfth Line Dummer there are small pieces of property that need to be acquired from 4 property owners, 1 of these property owners also requires fencing.

**Conclusion:** The various properties have now been surveyed and these properties are ready to be transferred and registered to the township in order for the road work on the Twelfth Line Dummer to continue. The township is paying the standard price of \$1,500 per acre of land and \$7.00 per foot for fencing.

**Recommendation:**

That the report to Council, dated April 17, 2018, regarding Twelfth Line Dummer Purchasing Property and Fencing be received and for Council to approve the release of the funds for purchasing property and fencing once the transfer is completed.

**Financial Impact:** The approximate cost to the four property owners for purchasing property and fencing is \$11, 945.00. This was budgeted in the Twelfth Line Dummer road project.

**Strategic Plan Applicability:**

To enhance public transportation that is accessible and effective to support the needs of the community.

To ensure that the public works department operates efficiently and effectively.

**Sustainability Plan Applicability:**

To have an accessible transportation network that places priority on active and efficient modes of transportation.
