Pursuant to Section 45 of the Ontario Planning Act, as amended, the Township's Committee of Adjustment has the delegated authority to authorize minor variances from the provisions of the municipality's zoning by-law.

An application for a minor variance commonly stems from the inability of a project to fully comply with the technical provisions of the Township's Zoning By-law. Minor Variances may be granted to allow development to proceed without it being in exact conformity with the requirements of the Zoning By-law if it can be demonstrated that: the impact of the variance is minor, the intent and purpose of the Zoning By-law and the Township's Official Plan will be maintained; and the proposed use and development of the property is appropriate. The Committee of Adjustment must also make sure that the granting of a Minor Variance does not undermine or violate the original purpose of the policies that the municipality has in place. Minor Variances are a special privilege and there must be a valid reason why the by-law cannot be met in order for a Minor Variance to be granted.

The following is an overview of the Minor Variance Application/Review Process:

- 1) At the outset, you are encouraged to consult with Township staff regarding any development proposal to determine if the Minor Variance Planning process is right for your proposal.
- 2) Before submitting an Application for Minor Variance, it is recommended that the Applicant contact all neighbours within 60 metres of the proposed land, relevant ministries and agencies to inform them of their plans. This courtesy may prevent a possible delay in the processing of your application should someone not understand the nature of your request.
- 3) Upon receipt of a "complete" Application for Minor Variance, a Public Hearing shall be held within 30 days of the application being received by the secretary-treasurer. The Planning Act prescribes that a Notice of the Hearing shall be given at least 10 days before the day of the Hearing by prepaid first class mail to all property owners within 60 metres of the subject property and to the appropriate agencies.

- 4) During the scheduled public hearing, the minor variance application will be presented by the secretary-treasurer to the Committee of Adjustment and a recommendation will be presented by planning staff.
- 5) During the public hearing the Committee will make a decision to approve/deny the application based on the facts presented in the planning report/presentation; and based on input received from the public and/or the applicant. The Committee may also defer their decision pending the receipt of additional information. It is recommended that you attend the Hearing or have someone else represent you.

When making a decision about the application, the Committee must determine if the application meets these requirements:

- 1) Is the request minor in nature
- 2) Is it desirable for the development of the land and the municipality as a whole
- 3) Does it maintain the general intent of the Official Plan
- 4) Does it maintain the general intent of the Zoning By-law.

All four of these requirements must be met in order for the application to be approved.

- 6) Following the Committee's decision a Notice of Decision will be sent to the applicant and/or his Agent and to each person who filed with the secretary-treasurer a written request for notice of the decision. The approval of a Minor variance may accompany certain conditions.

There is a **20 day appeal period from the date of the decision** within which the applicant and/or his Agent or any other person or public body who has an interest in the matter may appeal the decision of the Committee to the Ontario Municipal Board.

If no appeal is received within the 20 day appeal period, the decision of the Committee of Adjustment is final and binding.

***** The information contained in this document is general in nature - for more specific information please contact the municipal office.**

Minor Variance Application - Checklist -

The following must be provided in order for the application to be deemed “complete”:

- Application Form (all sections must be complete)
- If your property is within a vulnerable area as defined by the Source Water Protection Plan, a clearance notice from the Risk Management Official is required to be submitted with your application. Speak with Township staff to determine if this is required.
- Site Plan drawing: **An up-to-date location survey prepared by an Ontario Land Surveyor is required for all applications. Please ensure that all existing and proposed structures (including decks, accessory buildings, etc.) are shown on the survey and that all setbacks are shown and measured accurately.**

Please request that the surveyor email a draft copy of the site plan to the Municipality ahead of time to ensure that all of the required information is included on it, as follows.

The Ontario Land Surveyor Site Plan/Location Survey must include the following:

- The boundaries and dimensions of the subject land
- The location, size and type of all existing and proposed buildings and structures on the subject land, indicating the distance of the buildings or structures from the front yard lot line, rear yard lot line, side yard lot lines and water yard setback
- The approximate location of all natural and artificial features (for example, buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells, septic tanks, hydro lines, telephone lines or any other services) on the subject land and on land that is adjacent to the subject land that, in the opinion of the applicant, may affect the application.
- The current uses on land that is adjacent to the subject land
- The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way
- If access to the subject land is by water only, the location of the parking and docking facilities to be used
- The location and nature of any easement affecting the subject land
- If Waterfront Property, elevation/Highest Recorded Water Level details must also be included on the site plan - Please contact the Otonabee Region Conservation Authority prior to submitting your application (705-745-5791 Ext. 213)
- Township Fee (\$1325.00) plus the Otonabee Region Conservation Authority Fee (see attached ORCA Fee Schedule) – cash, cheque or interact
- Floor Plans and Building Elevations (discuss with staff to determine applicability)

Note: Full size drawings may be submitted however in all cases copies of the drawings must be provided on Ledger-sized paper (11" x 17") or smaller for copying purposes and for inclusion as a schedule to the Decision if approved. A digitized PDF version may also be required.

The Township may require additional information to process your application. It is strongly recommended that you meet with Township staff prior to submitting your application.

THE FINE PRINT:

Minor – An application is determined to be “Minor” where there is low risk of impact on a natural hazard or natural features and no technical letters or studies are required. Subdivisions less than 5 hectares in size are determined to be “Minor”.

Intermediate – An application is determined to be “Intermediate” where there is moderate risk of impact on natural hazards or natural features and/or the review of a single technical report/plan (e.g., Environmental Impact Study, Floodplain Analysis, Stormwater Management Plan) is required.

Major – An application is determined to be “Major” where risk to natural hazard and natural features is high and/or the review of 2 or more technical reports/plans (e.g., Environmental Impact Study, Floodplain Analysis, Stormwater Management Plan) is required. Subdivisions greater than 5 hectares are determined to be “Major”.

1. Applicants and/or municipalities are encouraged to consult with staff prior to submission of all applications to determine the extent and nature of information required to accompany the application, and to determine the appropriate fee.
2. Application fees are collected in the following fashion and must be paid before Otonabee Conservation review will commence:
 - a. Application fees for Minor Variances, Zoning By-Law Amendments and Site Plan applications are collected by the municipality.
 - b. Fees for Consents (Severance), Plans of Subdivision and Plans of Condominium will be collected by the municipality within the City of Peterborough, the City of Kawartha Lakes and the Municipality of Trent Hills. Fees for Consent (Severance), Plans of Subdivision and Plans of Condominium within the County of Peterborough will be invoiced to applicants directly.
 - c. Fees for Official Plan Amendments will be collected by the municipality within the City of Peterborough, the City of Kawartha Lakes, the Township of Douro-Dummer, the Township of Cavan Monaghan, the Township of Otonabee-South Monaghan and the Municipality of Trent Hills. Fees for Official Plan Amendments will be invoiced to the applicant directly within the Township of Asphodel-Norwood and Selwyn Township.
3. Otonabee Conservation reserves the right to modify or adjust fees should the review require a substantially greater or lower level of review and/or assessment or for applications that have not been included in the above table.
4. Consolidated Planning Act applications will be subject to only the higher of the application fees if submitted within a one year time period.
5. Peer review fees will be recovered when a report contains information that is beyond the scope of Otonabee Conservation’s in-house expertise OR come to a third-party resolution where there is conflict.
6. Otonabee Conservation reserves the right to increase fees without notice to address year to year increases that may occur from inflationary increases in operating costs
7. The net hectare fee required for Clearance of Conditions will exclude lands outside of the development limit (e.g., natural hazards, natural heritage features and buffers). This fee will be capped at \$25,000.
8. Fees for applications requiring technical review are based on the initial submission and two resubmissions. Submissions beyond those three will be reviewed and charged at the hourly technical review rate.
9. Fees for amendments to applications are charged when the proposed development is modified after planning approval has been granted. Application Amendment fees are based on the fee in place at the time the amendment request is made.
10. A File Reactivation fee is charged for applications that have been dormant for over one year. File Reactivation fees are based on the fee in place at the time of reactivation.

11. All studies submitted to Otonabee Conservation for review become the property of the Authority and the information may be used by Otonabee Conservation and its member municipalities. In order for members of the public to view any studies, plans and reports related to a permit, a formal request under the Municipal Freedom of Information Protection and Privacy Act, PRSO 1990, c M. 56 is required. Access is subject to statutory exemptions.
