

Synopsis of Report: To provide the Board with an update on the Enabling Accessibility Funding.

Overview: Our Enabling Accessibility Fund was approved. This included quotes for upgrading the lighting, filling in the floor, and making improvements to the ramp. Library staff have met with township staff to discuss project management and financial reporting requirements.

Financial Impact: The funding was included in the 2019 budget – 2019 budget has not yet been approved by council.

Impact to Library Staff: Staff may require extra hours for project management.

Impact to Library Services: There will be a disruption to library services during the renovations. Staff will work to minimize this disruption.
