It is the responsibility of the applicant to ensure that all permits that may be required from other authorities (ie: Otonabee Region Conservation Authority) have been obtained and that by signing this permit you acknowledge that you have contacted the other authorities and have completed any process they require.

It is understood that work must not be begun before a permit has been issued by the Manager of Public Works. The issue of a permit by the Manager of Public Works does not relieve the holder of the responsibility of complying with relevant Municipal By-Laws.

In consideration of any permit issued in respect to this application, we the applicants for ourselves, our heirs, executors, administrators, successors and assigns hereby agree to observe, keep and perform and be subject to the regulations and conditions of the said permit and to indemnify and save harmless, her Majesty may be put or which she may suffer or sustain or for which she may be liable by reason of anything done or omitted to be done in the construction, maintenance, alteration or operation of the works authorized.
