Township of Douro-Dummer
Regulation of Traffic and Parking By-Law

By-law # 2014 - 25

The Corporation of the Township of Douro-Dummer

By-law No. 2014 - 25

**A By-law for the Regulation of Traffic and Parking on
Highways and Roadways within the Jurisdiction of the
Township of Douro-Dummer and to repeal By-law Nos. 86 –
1998, 1999-20, 2001-76, 2002-57, 2004-08, 2008-42,
2009-75, and 2010-32**

Whereas the Table appended to section 11 of the Municipal Act, 2001, S.O. 2001, c. 25, provides that the whole of the sphere of jurisdiction “highways, including parking and traffic on highways” is assigned non-exclusively to all upper-tier municipalities and is therefore exercisable by both upper-tier and lower-tier municipalities;

And Whereas section 63 of the Municipal Act, 2001, S.O. 2001, c. 25, provides that where a municipality passes a by-law for prohibiting or regulating the placing, stopping, standing or parking of an object or vehicle on a highway, it may provide for the removal and impounding or restraining and immobilizing of any object or vehicle placed, stopped, standing or parked on a highway in contravention of the by-law;

And Whereas subsection 425(1) of the Municipal Act, 2001, S.O. 2001, c. 25, authorizes municipalities to pass by-laws providing that any person who contravenes any by-law of the municipality passed under said Act is guilty of an offence;

And Whereas section 428 of the Municipal Act, 2001, S.O. 2001, c. 25, provides that where a vehicle is left parked, stopped or standing in contravention of a by-law under said Act, the owner of the vehicle, even though the owner was not the driver at the time of the contravention of the by-law, is guilty of an offence and is liable to the fine prescribed for the offence unless, at the time of the offence, the vehicle was in the possession of some other person than the owner without the owner’s consent;

And Whereas section 429 of the Municipal Act, 2001, S.O. 2001, c. 25, authorizes a municipality to establish a system of fines for offences under a by-law of the municipality;

And Whereas section 432 of the Municipal Act, 2001, S.O. 2001, c. 25, states that a municipality may provide for a procedure for the voluntary payment of penalties out of court in cases where it is alleged that a by-law related to parking, standing or stopping of a vehicle has been contravened;

And Whereas section 137(a) of the Highway Traffic Act, R.S.O. 1990 c. H.8, provides that a council of a municipality may by by-law provide for the erection of stop signs at intersections on highways under its jurisdiction;

And Whereas section 46 of the Highway Traffic Act Regulation 615, R.R.O. 1990 authorizes a Municipal Corporation to erect and maintain other signage prescribed by the Act and regulations;

And Whereas it is deemed advisable to repeal the current Regulation of Traffic/Parking/Restricted Parking By-laws and incorporate these by-laws into one by-law;

Now Therefore the Council of the Corporation of the Township of Douro-Dummer in Session duly assembled enacts as follows, that:

Township of Douro-Dummer
Regulation of Traffic and Parking By-Law

By-law # 2014 - 25
