

Notice of Public Open House

Proposed Official Plan for the County of Peterborough

Take notice that the Corporation of the County of Peterborough will host Public Open Houses regarding a proposed new Official Plan.

Purpose of Open Houses

The purpose of the Open Houses is to introduce the development of a new Official Plan to the public, to gauge community interest in the project, and to obtain input and feedback on the current Official Plan.

The new Official Plan is being developed as part of the statutory review required under Section 26 of the Planning Act and would repeal and replace the existing Official Plan. The new Official Plan applies to the entire geographical area of the County of Peterborough; as such, no key map is provided.

The County Official Plan also currently contains detailed land use policies for four lower-tier Townships, and a fifth Township has expressed interest in adding its policies through this project. The five Townships with detailed land use policies are Asphodel-Norwood, Douro-Dummer, North Kawartha, and Selwyn, with Trent Lakes policies to be added.
