

**Bridge Design and Municipal Class Environmental Assessment  
for the Replacement / Rehabilitation of the Old Norwood Road Bridge**

The County of Peterborough has retained Ainley Group to complete preliminary and detail design activities and to undertake the Municipal Class Environmental Assessment (MCEA) process for the replacement / rehabilitation of the Old Norwood Road Bridge. The Old Norwood Road Bridge is located east of Peterborough on Old Norwood Road between Burnham Line and Drummond Line, within the Township of Otonabee South Monaghan. The location is shown on the provided key map.

The project is being initiated as a Schedule 'B' undertaking in accordance with the MCEA, which applies to municipal infrastructure projects including roads, bridges, water, and wastewater projects.

Public and agency consultation is an important component of the Environmental Assessment process. Public Information Centre (PIC) No. 1 was held on Monday August 21, 2017 and provided information and answered questions regarding the alternative solutions.

PIC No. 2 will be held on **Tuesday October 3, 2017 from 5:00 pm to 7:00 pm at the Baker's Hill Banquet Centre, 555 Parkhill Road E., Peterborough, Ontario.** The PIC will consist of a drop-in type format with displays showing the preferred solution.

Staff from the County and Project Lead Consultant will be on hand to answer any questions. Subject to comments received and the receipt of necessary approvals, the County of Peterborough intends to proceed with the planning, design, and construction of this project.
