

# **Public Works Department**

## **Public Works Department - On-call Equipment Operators**

Position Dates: 2020 season

Hours of Work: On-call position

### Qualifications/Experience Required:

- Valid D/Z Driver's Licence with a Driver's Abstract
- Current CPR/Standard First Aid
- Current WHMIS Certification
- Load securement training preferred
- Successful proponent will be required to provide a criminal record check

This position is for the 2020 summer and winter season. The On-call Equipment Operator may be called in to assist with summer driving and machine operations as well as to assist with the sanding/plowing operations of the Township, when needed. Preference will be given to applicants with experience in winter control operations.

For more information about these positions, please contact Jake Condon, Lead Hand - Public Works at 705-652-8402, email: [publicworks@dourodummer.on.ca](mailto:publicworks@dourodummer.on.ca).
