Addendum #2

T-2020-03- Supply of One (1) new 60,000lb GVWR Cab & Chassis Truck with Front Plow, Wing, and All-Season Combination Dump Body/Spreader

The following addendum will address Part C "Specifications", under the heading **Auto Greaser** on pages 27 and 28 of the tender document. The Township would like to notify all bidders that an equivalent greasing system will be considered.

Part C "Specifications"

Auto Greaser

The original tender reads: "Automated Lubrication system: to be Groeneveld 55 grease point (30 chassis points including slack adjuster, clevis pins and 25 body points) for truck and plow equipment. Grease fill hose to be at ground level. Cab display LED panel to show greasing, low level and fault."

The Township will consider Groeneveld or equivalent greasing system for truck and plow equipment.
