

Addendum #1 – July 7, 2020

**Tender for Painting Services of selected areas of the
Municipal Office, Douro Community Centre & Warsaw Community Centre**

Proposal #: PR-01-2020

Additional Information for Prospective Bidders and
a Notice of Extension for Bid Submissions

The Township has received the following questions regarding the above noted Tender, please note that the answers to each questions are provided in the **Bolded Text**.

1. In review of your specifications we do not see drawings or pictures of each site, can you provide pictures at a minimum and drawings if possible.
We will allow by appointment only, a walk through viewing of our buildings to assist you in your bid. Please email vickih@dourodummer.on.ca to set up a time for you.
2. For the epoxy coating can you allow equivalents to the specified?
Equivalent epoxy coating can be submitted.
3. You mentioned that all bidders must prove that their staff have fall prevention training however it is law that workers must have valid working at heights training as per MOL.
Working at heights training will be required as per the Ministry of Labour.
4. Will experience of each contractor be rated as part of the bid evaluation or is it strictly price?
Bid evaluations will consider references and price.
5. We need a designated substance report to determine if there are any heavy metals in the paint that needs to be sandblasted.
A Designated Substance Report will be forthcoming. Please expect the document posted by end of day on July 17, 2020.

Notice of Extension for Bid Submissions

1. The closing date and time on this Proposal #: PR-01-2020 Tender for Painting Services has been extended to **Friday July 24th, 2020, at 12 noon local time.**
